2. Objectives of the College Council

The College Council aims to ensure effective academic administration, quality improvement in education and healthcare services, and proper coordination among departments for the overall development of the institution.

The main objectives include:

1. To ensure proper implementation of the prescribed curriculum and academic regulations.
2. To maintain high standards of teaching, training, and research.
3. To strengthen coordination among academic and clinical departments.
4. To review institutional performance and introduce improvements in academic and administrative systems.
5. To develop long-term strategic planning for the institution.

3. Functions and Responsibilities of the College Council

The College Council shall perform the following functions:

3.1 Academic Planning and Implementation

- To formulate strategies for effective implementation of the curriculum and training programmes.
- To ensure proper academic planning including teaching schedules, clinical postings, practical training, and examinations.
- To monitor adherence to academic calendars and regulatory guidelines.

3.2 Monitoring Academic Standards

- To review the quality of teaching-learning processes in the institution.
- To evaluate the performance of departments and suggest corrective measures wherever necessary.
- To ensure maintenance of academic discipline among students and faculty.

3.3 Inter-Departmental Coordination

- To promote collaboration among departments through regular inter-departmental meetings.
- To organize academic discussions such as:
 - Grand rounds

ISHAN AYURVEDIC MEDICAL COLLEGE AND RESEARCH CENTRE

(Recognised by National Commission of Indian System of Medicine, Min. of AYUSH, Govt. of India) (Affiliated to MGG AYUSH University, UP) NABH Accredited

H.O.: 120, Hans Bhawan, 1 BSZ Marg, New Delhi-02 | Campus: 1A/1, Knowledge Park-1, Gr Noida UP-201310
